

How it all started

As part of our church vision we wanted to meet real needs in the community in a practical way, and one of our church members – Richard Brown – felt that a **Community Café** was an ideal way to do this.

With a history of working in catering and having had his own restaurant, Richard was perfectly placed to take up the role of Catering Manager and use his skills to serve the local community.

Our **Community Café** was launched in October 2006 to provide good quality, low cost food in a relaxed and informal environment.
